Thoughts for March

1. An ounce of action is worth a ton of theory.
2. A single conversation with a wise man is better than 10 years study.

General

MESSY CHURCH I want to draw your attention to the Messy Church display board by the front door of the church. Each month we have a photographic record of our monthly Messy Church meetings--- do please look & see what's going on. You will be amazed at all the craft activities on offer & the children & parental involvement. To see us all worshipping together followed by sitting down for lunch is real joy! Take a few minutes to look & then pray for us each month please. Thank you Alex New.

Messy Church Dates -

Thoughts from Rich

To All the Saints,

I'm both excited and encouraged.

I'm excited about the next few weeks as we adventure to new horizons together. The next few weeks are such an important time for us as a church as we look to the future. I've found myself saying to people that this is not going to be about me revealing a new blueprint and roadmap from God that we have to faithfully implement, but something far more unpredictable, organic and Spirit-led, in which God invites each of us to find our place and our role. I will be unpacking some of the guiding principles and practices that will inform and shape how we approach mission and ministry. My hope is that God will trigger some important conversations between us all and some bold dreaming as our imaginations are fired up. We'd love to hear from you over the next few weeks; what inspires and excites you, as well as concerns, questions or thoughts.

27 March, 24 April, 22 May, 26 June and 17 July.

Women's World Day of Prayer Friday 5 March. The City Service will take place at Sansome Walk Baptist Church commencing at 10am. Other service venues are displayed in church. Any queries please contact Joyce Wright.

Looking for a small group? Why not give us a call to find out more details 01905 360406. We are starting a new group, meeting fortnightly. **When?** Wednesday 3rd March at 7.30pm. **Where?** Dave and Heather's, 165 Medway Road.

I'm also encouraged. Over the last week or so there have been a number of pastoral needs in our midst that you have responded to magnificently and instinctively. Someone said to me last Sunday that they had seen "a glimpse of true community" through the loving actions and prayers of the church. At the heart of all we do must be a loving, supportive and praying community. So many churches do not have that, and so let's give thanks to God that we do have it here. That characteristic is a key foundation on which we can build in the coming months.

Please do continue to pray for both the next few weeks, and for one another, as we move into the future together.

With our love and prayers,

Rich & Kath
