CHURCH WEEKEND AWAY

8th-10th June 2018

The Poplars, Ledbury

allsaintsworcester

## *For such a time as this...*

We're at a significant point in our story as a church and in a season of seeking God's presence afresh as we prepare to become a "resourcing church" and all that this will mean.

As we've prayed over recent months, God has given us a picture of us gathering together around a campfire (His presence) and slowing down and resting there.

And so we've deliberately planned this weekend away to give us space and time to do this... to create opportunities for us to spend unhurried time together, with one another and God, resting, connecting and having fun together. It's a time when we can seek and soak in the presence of God, take time to listen to Him and to enjoy Him. And have a campfire together!

We've chosen to go to the Poplars near Ledbury because the venue allows us to do all this brilliantly. We will have the run of this beautiful old fruit farm, with lots of room for us to breathe, great spaces that facilitate community and at a price that makes it affordable for us all.

There are a range of on-site accommodation options, and places are limited so book in quick! You are also free to stay off-site or sleep at home.

So the plan for the weekend is... times of worship, teaching and ministry, relaxing, swimming in the outdoor pool, optional workshops (on a range of things from how to better practise the way of Jesus, art and craft, prayer), 5k farm run challenge, tractor tours, basketball and 5-a-side in the sports hall, Hungry, late night movies, hot chocolates, drinks around the firepit, a whole church campfire, rounders, cake and tea, morning and night prayer, board games, newspapers, leisurely walks, table tennis, table football, snooker and so much more!

Do join us for what we trust will be a beautiful and important weekend together.
